

CALLIE BANNON **KINDERGARTEN**

This is Ms. Bannon's 4th year teaching Kindergarten at St. John XXIII. Ms. Bannon graduated from Port Washington High School. She graduated from UW-Madison with majors in International Studies and Spanish Literature.

She previously taught preschool and elementary school in Spain and substitute-taught in Wisconsin. She feels lucky to teach Kindergarten because it's a very special year filled with so much student growth. She's especially honored to teach children how to read and to grow in their faith in God over the course of this year. She loves to travel, read books, drink coffee, and hike.

Ms. Bannon appreciates being a part of the community at St. John XXIII. She takes pride in being part of a Catholic School of Academic Excellence. She loves coming to work every day with supportive colleagues and teaching students who love learning.
