

Cindy Gibson

Mrs. Gibson holds a Bachelor of Science in Elementary Education from Austin Peay State University in Clarksville, TN and a Bachelor of Business Administration in Marketing & Real Estate from The University of Cincinnati. She is originally from Northern Kentucky; however, being the spouse of a Retired Army Officer took her all over the world, where Cindy spent her time as a leader, volunteer and teacher for numerous military organizations, schools, scouts and churches.

Cindy and her husband, Michael, have three children, Andrew (22), Emily (18) and Abigail (13). They reside in Grafton and have happily made Wisconsin their home. Cindy is beginning her fifty year as Art Teacher at St. John XXIII. She has also started providing math intervention for students who need a little extra help and is currently working on completing her Math Specialist Graduate Certificate at UW-Stout.

Prior to teaching at SJXXIII, Cindy worked in the Grafton School District and at Nicolet High School. She has a passion for art (and Math) and loves sharing her creativity with her friends, children and students. In her free time, Cindy enjoys watching sports (Go Bengals!), attending Badger football games, reading, kayaking, camping, spending time with her family and of course anything related to the arts.
