

# MEET THE TEACHER!

I am Mrs. Mogilevsky (Schauer) and I am so excited to start my fifth year at St. John XXIII. I look forward to working with you and your family to make this a successful year for your child. Thanks for being a partner in your child's education.

## Love of Family

I am so blessed to have such a caring and loving family in my life. My husband Scott and I got married this summer and now live in Jackson. I have a younger sister, Monica, who just graduated from UW-Stevens Point and is attending graduate school at UW-Madison. As my first teachers, my parents instilled the importance of God in my life and introduced me to the Catholic Church. Together as a family, we love to fish, hunt, spend time at our cabin in Northern Wisconsin and cheer on Wisconsin sports.

## Education

UNIVERSITY OF WISCONSIN  
STOUT

I attended elementary school at St. Mary's Mayville where I really began to understand and value the importance of a Catholic Education. After graduating from Mayville High School, I attended Edgewood College in Madison. In May 2016 I graduated from Edgewood with a major in Education and a minor in middle school math. I graduated with my Master Education and Studies in Mathematics Certificate Graduate School from UW-Stout last winter.
